## DETAILS OF INVESTIGATION:

In August 2013, the National Center for Missing and Exploited Children's Network (NCMEC) contacted the Riverside Sexual Assault Felony Enforcement (SAFE) Task Force with Cybercrime Tip # 2047698 regarding a user in the area of Moreno Valley, California who attempted to upload and send images of suspected child pornography to his Dropbox account (jcbuddy64@yahoo.com).

In October 2014, the case agent heard back from the forensics agent regarding the forensics on HARPER's media. The forensics agent told the reporting agent that nothing of investigative interest was found on HARPER's media and that what was relevant was found in the deleted space on HARPER's media. The US Attorney's Office will not file a federal case on deleted items so the reporting agent will refer this case to the Sexual Assault Felony Enforcement Task Force (SAFE) for further disposition. This case continues.
